HERITAGE OAKS Jimmy Jacobs scores another home run with his second custom home retirement community. Heritage Oaks promises to be a greater success than Texas Traditions, Jacob's first age-restricted community. Texas Traditions recently won the prestigious "MAX" award for "Best Overall Community" and Jacobs won "Best Home Design" from the Homebuilders Association of Greater Austin for 2003.

Active adults will find heavily wooded home sites in a country-like setting close to lakes, shopping and entertainment. The 118-acre site has over 23 acres of greenbelts and walking trails. A clubhouse complex is planned for community gatherings.

Georgetown is located 25 minutes north of Austin. Major medical facilities in Austin and Temple's Scott & White Center provide cutting-edge care. Seven colleges and universities in the area ensure an active cultural scene. Homes will range from 1400 to 3000 square feet. Jacobs will make changes to accommodate his clients' needs. Jacobs will offer three categories of housing: "Classics" for those desiring essential accoutrements, "Estate" homes with added luxury features and "Custom" homes designed for you from scratch.
