

# MISSISSIPPI RETIREMENT

**CITY OF MERIDIAN** Meridian, MS has been attracting retirees for many years. U.S. Navy retirees have long considered Meridian a good location a good location and have returned here when they retire. Recognized as the center of East Mississippi and West Alabama, Meridian retains that hometown attitude with a sense of community and a relaxed lifestyle that is hard to find anywhere else. Meridian is home to two institutions of higher learning—Meridian Community College (MCC) and Mississippi State University/Meridian Campus. MCC features the innovative “Lifetime Quest” program for active seniors. We also feature the oldest symphony orchestra in the state, the largest amateur theatre and a museum of art. All actively seek community volunteers to take part in their year-round functions. As a major service and health care center for East Mississippi and West Alabama, Meridian features three outstanding, comprehensive hospitals with a total of 660 beds. Mississippi retirees do not have to pay state income tax on qualified retirement income so you get more of what you earned.
